DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 27 September 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The stipulation of whether component "C" is present or not has not been elected. The presence of elected C directly effects classification and search. Furthermore, applicants are required to delineate the claims readable on the elected species.. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
